This is a Special Plea to You

I have a fear that some friend or loved one will turn to me on the Judgment Day and ask why I did not tell them how to be saved while we were alive on Earth. Sometimes we are reluctant to discuss this subject for fear of offending someone or being accused of being over "religious."

The way to become a Christian is really very simple. It is some of the evangelists and denominations that have made it complicated by teaching false doctrines. A person can become a New Testament Christian anytime at any place. They don't have to walk down the aisle of a church building to the tune of an invitation song. When you become a Christian, the Lord adds you to His church. Church might be better translated, "An assembly of The Saved." The church is a group of saved people. It is not a building of wood, brick, and mortar. All Christians in the world make up The Body of Christ, which is the Everlasting Kingdom that had its beginning about 33A.D. in Jerusalem.

I Corinthians 2:9 states: "Eye hath not seen nor ear heard the things which God hath prepared for them that love Him." We can't afford to miss Heaven. We are only one heartbeat away from eternity. Don't delay. Phone or write for further information.

How to get a Gift Certificate to Heaven

Five seconds after death, a non-Christian would give the whole world just to come back to Earth and have one more chance. Of course, we all know this is impossible. A person only has one chance to be saved, and that is during their lifetime on Earth.

Due to the certainty of death, it is imperative that everyone become a Christian. The requirements are simple and easy. There is only one source in the whole world that gives these simple requirements, The New Testament.

Below is a composite of the commands and examples from the New Testament on how to become a Christian:

1. Believe that Jesus Christ is the Son of God
2. Repent of your sins.
3. Confess before people, your belief in Jesus Christ.
4. Be baptized (immersed in water) for the remission of your sins and to receive the indwelling of the Holy Spirit.
5. Totally surrender yourself to Christ and follow His teachings the rest of your life.

This is how to obey the gospel call. You are now born again spiritually; and with water-baptism you symbolically emulate the death, burial, and resurrection of Jesus. Your old sinful person has been buried, and now you are a new creature in Christ. You are now a New Testament Christian, and the Lord will add you to His church. You do not have to join any particular church, or call yourself any particular kind of Christian. You are neither Catholic nor Protestant. You have become a member of the one and only true church, the everlasting Kingdom of Jesus Christ.

Christianity Versus Other Religions

Christ validated the Christian religion by performing miracles such as raising the dead back to life, healing the sick and blind, and by His resurrection from the dead. This proved beyond doubt that He is God the Son and the giver of eternal life. He paid the penalty for all the sins of man by dying on the cross for those who will believe in Him.

Hundreds saw Him alive after His resurrection, and we have the testimony of His disciples who confirmed His resurrection from the dead. Most of them were put to death for their belief in Him.

This same Christ is now Lord of Lords and King of Kings. He is God the Son. He will forgive you of all your sins and give you an eternal home in Heaven where there is perpetual happiness, no sickness, no death, no pain, and no sorrow.

You can't buy your way to Heaven. It's free just by accepting Christ and His gift. No other religion has this guarantee. Why take chances with false religions and counterfeit plans of salvation? Getting into the "Heavenly Way" should be the number one priority on your list. I challenge you to put it above everything else.
